CV. Catur Putra Makmur

GRAPHIC ARTS MATERIALS · SURABAYA, EAST JAVA, INDONESIA · SINCE 2009

ABOUT US

CV. Catur Putra Makmur is a graphic arts materials supplier and general trading company based in Surabaya, East Java, since 2009, specialising in the needs of offset printers and packaging manufacturers. We work consultatively: we first understand each customer's printing process, materials and problems, then recommend the right product.

PRINCIPALS

artience

Toyo Ink Indonesia (artience group)

Official distributor · East Java

Japanese manufacturer of printing inks and graphic arts materials, founded in 1896. Since 2024 the group has operated under the name artience (formerly Toyo Ink SC Holdings).

Strecker

Strecker

Official distributor · East Java

Offset pressroom chemicals: fountain solution, press wash (Super Wash) and deglazer.

Products come through the principal's official channel, and technical support comes directly from the principal.

SERVICE AREA

All of East Java, from our office and warehouse in Surabaya. Deliveries outside East Java are confirmed in advance.

PARTNER WITH US

We welcome manufacturers looking for a distribution partner in East Java. To start, send us your company profile and product range.
